7. ENTRY & ENTRY FEES

Entries, will open immediately via and will be open until 28 April 2023. There will be no registration on the day of the race

Late entries may be accepted with a **late entry fee of \$20**. Late entries will only be done at the Registration on the 28 April 2023 - No entries will be accepted on race day.

Your entry is not final until payment is received, payment details will be advertised on the Entry Form

ENTRY FEES FOR THIS EVENT

		Participants	
	PW 50	\$20	Ride only
	All other classes	\$120	Includes T-shirt, 2 x Breakfasts and Saturday Dinner at Victoria Falls Boat Club
	Day License	\$10	this is applicable to all riders competing and do not have a current competition license

8. DOCUMENTATION AND SCRUTINEERING:

Documentation will take place from 1500hrs on the 28th April 2023 - Victoria Falls venue TBA

All competitors will be required to produce a valid Competition Licence at documentation, if not you will be required to buy a day licence for \$10 and you will receive \$ 2000 cover from Alliance insurance.

Briefing is compulsory. A verbal riders briefing will be held at the times listed in these regulations and all verbal instructions as issued by the Clerk of the Course and/ or Stewards will be binding.

Medical - competitors should be covered by their own medical aid/ hospital plan which covers them for participating in off road motorcycle racing.

Where a rider insists on participating without proper and adequate private medical cover (highly unadvisable), the rider accepts and acknowledges that:

- He/ she does so entirely at his/ her own risk,
- The Zambezi Off Road Club will not be held responsible,
- In the event of an injury, he/she will be taken to the nearest government hospital.

You must have a number on the front and sides of your bike which you have to fill in on your entry form. We may also issue you with another number for the day if your number clashes with someone else – try to make sure that there is not another rider with the same number, if so contact us and let us know.

Scrutineering is "Self-scrutineering". The onus is on the competitor to ensure that your motorcycle and equipment meet the requirements to pass scrutineering. A Technical Marshal will be in the pits checking Motorcycles and equipment, defects and incorrect protection gear can result in disqualification and further disciplinary action may be taken.

9. START PROCEDURE

Gold riders will start 1st. Starting orders will be as per results of the last event or decided by the COC on the day.

10. ELIGIBILITY OF COMPETITORS

The event is open to all medically fit competitors Off Road Motorcycle Events.

11. ELIGIBILITY OF MOTORCYCLES

All motorcycles must display the competition number as issued by MotorSport Zimbabwe or if a number is issued to them on the day then that number on at least the front number boards of their motorcycles. Only off road motorcycles in good safe working order and meeting the scrutineering requirements allowed.

12. RESULTS/ TIMING

It may be a requirement of all riders to ride with some kind of GPS tracking unit. Either a Garmin GPS or a just rack unit or an app on your phone if you ride with a Garmin GPS you will need to keep the track log on the unit for at least 48 hrs after the race has finished. Should a complaint be received we will need to download the track log. We are investigating apps that can be used on a smart phone (more info to follow). You will need to ensure that your battery on your divide does not run flat. Should we request the track log and you are unable to supply it to use, your race times will be adjusted to equal that of the slowest rider in your race.

RESULTS BECOME FINAL 30 MINUTES AFTER POSTING. (These will be posted on the WhatsApp groups).

13. ROUTE MARKING, ROUTE CHECK POINTS

The route will be marked using orange markers on the left hand side of the route generally. A double orange marker will indicate a turn and will be placed on the side of the track to which you need to turn. Arrows may also be used in some instances. Cautions may be marked with caution boards or multiple of orange markers .

Green markers are generally used to indicate a green route and there will be a green and orange sticker together to show you that you are on the main route again. Please acquaint yourself with the route map on display at Race Control Gazebo

Orange stickers will be mark all the main route, follow the green routes around all technical sections, if you plan to avoid the

NB: Please listen carefully to the explanation at Riders Briefing.

There may be a cable tie check point on route, if there is; each competitor will be issued with colour coded cable ties at various check points. It is the rider's responsibility to attach the cable tie to the front handle bars of the bike where they are clearly visible at the finish line. This is to see that the competitor has passed through the various route check controls. We also reserve the

right to place tracking units on any participating bikes. When a riders comes in on his final lap, the rider must immediately park his bike in a designated area where the check point ties will be confirmed and the rider will agree and acknowledge his penalties, only once this is done can the competitor return to his pit area

14. CORRECT ROUTE OBSERVANCE / "20 METRE RULE" / CHEATING

The rule which states, "No competitor may deviate more than 20m from the marked or defined route", **needs to be properly understood** in conjunction with the following 3 rules:

1.) Any competitor leaving the route must rejoin at the same point where he left it.

2.) Confirmation markers are ALWAYS placed on the left hand side of the route and therefore riders should never be on the left side of normal confirmation markers.

3.) Competitors may not deviate off the marked route by any distance to gain an advantage i.e. deliberately turning inside the markers, avoiding winding marked paths or riding outside of marked obstacles, such as ravines, etc.

Non compliance with any of these rules will incur penalties or disqualification (refer to clause 17).

15. REPORTING OF ACCIDENTS/ INCIDENTS OR RETIREMENTS

Retirement – Should a competitor retire from the event, he must immediately notify the nearest radio marshal/ official of this fact. Competitors who have retired from the event must proceed to Race Control/ Timing as soon as possible and notify a race official, ensuring that his/ her number is recorded. Failure to notify the Organisers within one hour of retiring from the event may result in a fine of \$1000-00 being imposed to any competitor found to have safely retired from the event. Furthermore failure to comply with this regulation may result in the entry of the competitor being refused by Organisers of future events.

Incident Report Forms –

Competitors only need to hand in Incident report forms if there was an incident experienced.

16. COMPETITOR CONDUCT

Injuries – In the event of anyone being injured, competitors are obliged to stop and render whatever assistance may be needed. In the case of a serious injury **DO NOT** move the injured competitor unless he/she is in a dangerous position. The next marshal must be advised as soon as possible in order to summon assistance. Please give the marshal the injured competitors number and approximate location. If an ambulance or medic is encountered on the route, it has the right of way at all times. Riders must stay on the route when injured or broken down in order for marshal's to find them. They may not venture off the route unless directed to do so by an official. This is to make sure that you can be found.

17. PENALTIES

Exclusion – Racing, testing, disrespecting any official or marshal, cutting corners or cheating in any way, drinking alcohol before or during the event.

Refuelling whilst motor is running or whilst the competitor is sitting on the vehicle being refuelled.

Riding against the route (on the route but in the wrong direction).

1 Lap excluded - Missing colour coded cable tie.

Re-fuelling without environmental mat.

Not completely stopping (wheels stopped turning and foot on the ground) at a road crossing or demarcated area will lead to a minimum 20 minute penalty or possible disqualification.

Deviation/ missing or avoiding part of the course especially a clearly bunted/ marked obstacle will lead to an immediate disqualification.

Rider or a crew/ family member entering the timing control area or distracting a timing official during a race will lead to a minimum 5 minute penalty for the rider concerned.

Speeding in the pit lane or pit area – 2 minute penalty or more - this is at the officials discretion.

Other anomalies or infringements will be ruled upon by the Clerk of the Course, ZMSF Steward and Timing Officials after consideration of all the available facts/ reports.

Riders overtaking, popping wheelies, not wearing a helmet and speeding in the pits. (1st gear only in pit area).

18. PROTEST & APPEALS

Informal queries will as far as is possible be handled on the day through discussion between all relevant parties and officials. The most amicable, fair and agreeable solution/ outcome will always be sought. In the rare instance where such an outcome is not arrived at, a protest can be lodged. The fee payable for a protest is \$1,000.00, which is payable on the day in cash. The Jury (consisting of the Clerk of the Course, the MSZ Steward, the Club Steward, the timing official and if necessary the Route Director) is the only tribunal of the meeting competent to adjudicate upon any protest that may arise during a meeting and that protest should be handled on the day by the Jury and the Jury's decision is final.

This would be subject to the right of appeal, which must be addressed to ZMSF. All appeals must be logged with ZMSF within 24 hours after the event has taken place and the appeal fee of \$1,00.00 must be paid to ZMSF at the same time. Any expenses incurred in transport including witnesses and officials from the region to MSZ head office will be for the appellants account.

19. MINIMUM NUMBER OF STARTERS

A minimum of 3 riders in a class is required. Where fewer riders have entered a class the Clerk of the Course and ZMSF Steward will decide how those riders should race.

20. CANCELLATION, POSTPONEMENT OR ABANDONMENT

The Organisers reserve the right to postpone, abandon or cancel the meeting or any part thereof. In the event of any of the above, the Competitor/Entrant has no right to claim against the Promoter/Organiser in respect of any loss or damage he/she may incur.

21. GENERAL

- i) The Clerk of the Course reserves the right to alter the departure or cut off times if forced to do so, should circumstances so dictate.
- ii) The organisers will not be responsible for the recovery of motorcycles during or after the event, but will endeavour to assist wherever possible.
- iii) In places, the route will be narrow and dust may be a problem. You should therefore afford any competitor who has caught up to overtake with you, every opportunity to overtake.
- iv) We have been afforded the privilege to stage this event and you are requested to be responsible in all instances so that this event can be retained for the future.
- v) Competitors, crews etc are requested to make use of garbage bags/ bins provided.
- vi) Meals / refreshments will be on sale throughout the day at the venue.

22. EXCLUSION

Over and above the reasons mentioned in point 17 of this document, any competitor or service crew who is caught riding in grazing lands of any of the farmers/ landowners will be excluded from the event and the day's results, and may be fined for damages.

23. PRIZE GIVING

The Prize Giving will take place at the Lodge as soon as possible once the results have been posted and the protest period has elapsed and the results become final.

24. SAFETY REQUIREMENTS

NB!!! First gear and helmets to be worn if riding in or around the pits at all times – competitors who are judged to be speeding in the pit lane or pit area will receive a penalty which will be decided upon by the Clerk of the Course.

25. FIRE EXTINGUISHERS

All service crews must carry a fire extinguisher with a minimum capacity of 2.5kg to be located next to the bike being refuelled.

Service crews and riders should be familiar with the use of the fire extinguisher and ready to use it quickly in the event of emergencies.

26. SERVICING AND REFUELLING

Refuelling will be done in a demarcated area. Servicing will only be allowed in the demarcated pit lane and **ON AN ENVIRONMENTAL MAT**. A fire extinguisher (minimum 2.5kg) must be close at hand (see clause 25). Engines must be cut and competitors must dismount their vehicles. On the route Competitors may only be assisted by other competitors or officials, except in very difficult sections where spectators may assist. No motorcycles will be allowed to race or be tested in the pits by any competitor or crew member during any stage of the event. Failure to comply with any of the above will result in immediate exclusion.

PLEASE DO NOT LITTER AT EVENT – USE GARBAGE BAGS AND TAKE THEM WITH YOU!!
