

## Racer.co.zw

We have created this system to make it easier to enter motorsport events in Zimbabwe. It requires you to create an account on the racer.co.zw website and then you can capture your racers(s) and vehicle(s) information. The goal is to make entering motorsport events seamless and easy for participants. The system allows for multiple racers and vehicles catering for families with multiple entrants.

## How to Register

- 1) Go to <https://racer.co.zw/>
- 2) If you have a google account, click sign in with google. If you don't have a google account, contact Kevin on +263772872646 or Daniel on +263772214349 to create an account for you.
